

Getting Connected . . .

Do you need help finding
local community resources for
behavioral health & substance use services
in Bucks County?

Getting help is easy with Magellan Behavioral Health of Pennsylvania, Inc.:

For adults age 26 and over
along with those supporting adults
Contact Jenna Woodward at 215-360-6586 or
WoodwardJ@MagellanHealth.com

For children and transitioning adults
up to age 26
Contact Marissa MacKeverican at
484-724-0844 or
MacKevericanM@MagellanHealth.com

How we can help you and your family:

- Listening to your concerns related to behavioral health and substance use.
- Providing educational support regarding the complaint and grievance process.
- Helping you connect to community supports, available services, support groups, peer and family networks and other available county and public resources.

Visit [MagellanofPA.com](https://www.MagellanofPA.com) for more
information and resources including
our Member Handbook.
