Happy New Year!

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) strives on being proactive and using education as a preventative tool to provide our members the highest quality of care through you, the provider.

The Quality Improvement and Compliance Departments at Magellan have committed to sending monthly e-mails to targeted providers on a Compliance related subject.

For the final communication of 2013, we'd like to inform all providers of our Compliance Corner located on Magellan's PA website. Here, you can view all the Compliance E-mail blasts that were sent in 2013 as well as all future communications. We will still send future notifications via e-mail to the targeted audience each month; however they will also be available for viewing on our website.
