

Magellan Compliance Notebook – December 2017

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) strives to be proactive and use education as a preventative tool to help ensure our members receive the highest quality of care through you, the provider. The Compliance Department at Magellan is committed to sending monthly e-mails to targeted providers regarding a Compliance-related subject.

This e-mail communication is specific to your HealthChoices (Pennsylvania Medicaid) Contract with Magellan.

For the final communication of 2017, we have attached all the compliance resources that were distributed this year.

We'd also like to remind providers of the compliance section located on Magellan's PA website (<http://www.magellanofpa.com/for-providers-pa/fraud,-waste-abusecompliance.aspx>). Here, you can view a comprehensive library of Fraud, Waste & Abuse information and resources.

Finally, please remember that Magellan has established minimum Documentation Requirements for **all services** that can be accessed via the Provider Handbook Supplement for HealthChoices' Providers in Bucks, Cambria, Delaware, Lehigh, Montgomery & Northampton Counties: https://www.magellanprovider.com/media/1661/pa_healthchoices_supp.pdf.

**Please note that Magellan will be migrating to a new website platform in January, 2018 and thus the URL's will be changing- stay tuned for more information.*
