

Magellan Compliance Notebook

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) strives to be proactive and use education as a preventative tool to help ensure our members receive the highest quality of care through you, the provider. The Compliance Department at Magellan is committed to sending monthly e-mails to targeted providers regarding a Compliance-related subject.

This e-mail communication is specific to your HealthChoices (Pennsylvania Medicaid) Contract with Magellan.

This communication serves to review the compliance resources that were distributed for calendar year 2019.

We'd also like to remind providers of the compliance section located on [Magellan's PA website](#). Here, you can view a comprehensive library of Fraud, Waste & Abuse information and resources.

Finally, please remember that Magellan has established minimum Documentation Requirements for **all services** that can be accessed via the [Provider Handbook Supplement](#) for HealthChoices' Providers in Bucks, Cambria, Delaware, Lehigh, Montgomery & Northampton Counties.

At Magellan, we will continue to educate our providers with updated MA Bulletins, Regulations and other pertinent information in order to ensure Compliance. Although providers are ultimately responsible for knowing and complying with all applicable regulations, we proactively engage providers on an ongoing basis to make sure they are aware of compliance related requirements and expectations. Medicaid Program Integrity is truly a collaborative effort between our providers, county customers, Magellan, BPI and other oversight agencies. The monthly e-mail blast topics are generated from audit results and trends; however, are also sent in response to recent Magellan policy updates; newly released or relevant MA Bulletins and Policy Clarifications; or Regulation changes. The intention is to afford our providers with as many resources as possible to combat FWA and reduce overpayments.

Thank you for your ongoing hard work and dedication to our members!
