

Magellan Compliance Notebook – June, 2017

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) strives to be proactive and use education as a preventative tool to help ensure our members receive the highest quality of care through you, the provider. The Compliance Department at Magellan is committed to sending monthly e-mails to targeted providers regarding a Compliance-related subject.

This e-mail communication is specific to your HealthChoices (Pennsylvania Medicaid) Contract with Magellan.

This month we would like to solicit feedback from providers to assist in planning our 2017 Compliance Forum which will be held via webinar on **Friday, November 3, 2017**. The specific logistics including time will be shared in the near future but please **Save The Date!**

Magellan wants to hear from you! We value provider input and want to design a Compliance/ Fraud, Waste & Abuse Training that meets the needs of our contracted provider network.

The link below will direct you to a simple and quick survey. After you enter your provider information, there are only 3 questions which should take less than 5 minutes to complete.

We will use the information that is compiled to assist in building the agenda. Thank you in advance!

At Magellan, we will continue to educate our providers with updated MA Bulletins, Regulations and other pertinent information in order to ensure Compliance.

Thank you for your ongoing hard work and dedication to our members!
