

# Magellan Compliance Notebook – November 2017

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) strives to be proactive and use education as a preventative tool to help ensure our members receive the highest quality of care through you, the provider. The Compliance Department at Magellan is committed to sending monthly e-mails to targeted providers regarding a Compliance-related subject.

*This e-mail communication is specific to your HealthChoices (Pennsylvania Medicaid) Contract with Magellan.*

Magellan hosted its annual Compliance Training for providers on November 3, 2017 via webinar. Although there were 164 participants, we wanted to ensure that our entire provider network had knowledge of and access to the valuable resources that were shared during this training opportunity.
