## COBA Notification Update

Last February, we shared [this announcement regarding COBA Notification](#). Today, we have the following short but important update to communicate. Please share this message internally with your colleagues.

**Update: Magellan systems have been updated to process Medicare eligible claims directly from Medicare. In these cases, providers should no longer send claims directly to Magellan for payment but rather directly submit to Medicare, and then Medicare will send those to Magellan for secondary payments. If claims are submitted to Magellan and Medicare, claim issues can occur including denials and duplicate payments.**

If you have any questions. You can send questions to: [MBHofPA@magellanhealth.com](mailto:MBHofPA@magellanhealth.com).
